Caro Aldo -

I want to thank you for the many generous things you have done and gifts of time & friendship you have offered during my visit to Forli.

What made it all the <sup>more</sup> valuable was the realization that you were busy, that your time was limited with all kinds of responsibilities & travel commitments. I never would have known that because it was always fun to be with you. I just hope that you were not disappointed with my meandering work, and, I am afraid, my casual attitude during the various conferences.

And Marina. Viva Marina! She outshone the great city of Bologna. To concerts & festas and meeting all kinds of people - as an alien, transient - I could never have done without her.

And For Ravenna, and for the lines of poetic personal expression, yes. I am indeed grateful. And for touches like good Italian pasta a la Cinese. Grazie.  
Salute a tutti amici - Antonella & Stefano, Roberta e Alessandra, e Marina. Please write & let me know how things are going. Arrivederci, cari, cari.  
Giuseppe (Joe)

Caro Aldo,

I was very pleased to receive your letter, so filled with enterprise and new plans.

Please accept my congratulations on your new organization, SIA, and your appointment as vice-president.

Thank you for your kind offer to join the board of SIA, an offer which I am glad to accept. I look forward to receive the Statute of the Association.

The exciting part of your letter was the prospect of working together with you & your colleagues, in Italy in general, and in Forlì, in particular.

I will be free the last week of Sept and also early October this year.

So let us go ahead and make plans

I shall try to practice my irregular verbs and doppie consonanti.

Looking forward to seeing you soon

Arrivederci.

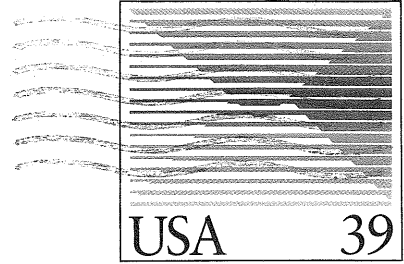

Your friend.

Joe
